## Welcome Message

### Dear Colleagues and Friends

*Welcome!* — It is our great pleasure on behalf of the Congress Organising Committee, the Faculty of Dentistry at The University of Hong Kong, and College of Dental Surgeons of Hong Kong to cordially invite you to attend the **Second International Conference on Evidence-based Advanced Dentistry** — to be held from 16 to 19 November 2007.

This Conference will offer innovative and state-of-the-art multidisciplinary programmes in which eminent international and local speakers will discuss the latest evidence-based approaches to using available technologies to tackle today's dental challenges.

This Conference will be a truly special occasion, as it will coincide with the 14th anniversary of the College of Dental Surgeons of Hong Kong, as well as the Silver Jubilee Celebrations of the HKU Faculty of Dentistry to mark the **25th anniversary of the Faculty's establishment**. We hope you will join us in celebrating these milestones, and we extend a particularly warm welcome to Faculty alumni to return to their *alma mater* with a great sense of pride and renewed interest in Hong Kong's only dental school.

Hong Kong is a metropolis full of energy and fascination, and we have included an exciting social programme for delegates and accompanying persons. The combination of a magnificent skyline, excellent food and hospitality, a rich culture, and contemporary technology will make for a memorable experience. **We look forward to seeing you in Hong Kong in November 2007!**
